

## New Bedford Retirement Board

The New Bedford Retirement Board is considering an allocation to a Global Tactical Asset Allocation - GTAA portfolio which has low correlation to traditional asset classes with an inflation hedging component. The mandate will be for a commingled fund only for approximately \$25 million. Individual contracts will be awarded and stated in accordance with M.G.L. Ch. 32 and all applicable investment guidelines administered by the Public Employee Retirement Administration Commission ("PERAC"). The Board reserves the right to reject any and all proposals at its discretion or to select more than one manager and to determine the amount of assets each will manage.
